**A. GRACE Prop.**

There was a fair attendance at the meeting held in town on Sunday to discuss the bonus for the soldiers. After some discussion a resolution was passed urging the Government to appoint a Commission to investigate matters as to further aid for soldier re-establishment.

L. O. Gould acted as Chairman and Mr. Williams, of the Consort local, was Secretary.

Albert Radel was up before J. P. Moth, on Tuesday, for a breach of the Game Act. He was found guilty of the charge but allowed out on suspended sentence. Radel had neglected to comply with certain regulations covering his game license.

Milo Melvin has been spending several weeks up at Stettler.

Geo. A. Robinson, Calgary, has been appointed as Chairman for the Stettler District in the coming Victory Loan Campaign. Mr. Robinson had charge of this district during the last campaign and was largely instrumental in its great success in the Stettler district.

What at first appeared to be a rain storm, yesterday afternoon, only turned out a dust storm which filled the air with dust, sand, papers, and, curses from those who were unlucky enough to get caught out in it.

It is a pity there is no close season, for these sand storms, say from March to November.

The local curlers had a "bee" last night, in the Hotel parlor, when plans were discussed for the coming season. The rink will be improved and two sheets of ice provided. With thirty or more members on the roll the local club will make things hum this winter.

## GOVERNMENT TURNS DOWN REQUEST FOR THE SOLDIER BONUS

The proposal of the returned soldiers that they be given a bonus, graded according to their service, has been refused by the government. The government has also refused the soldiers request that a royal commission or a parliamentary committee be appointed to inquire into the matter of a bonus to the returned men. As the government already had possession of all the facts and figures relating to the case they could not see any need of a commission.

### NOTICE

#### Warning to Ratepayers of the Stewart Municipality

Any person owing a Seed Grain Lien to the above Municipality must not sell any grain. No leniency has been arranged for with the Provincial Government, but the matter is being taken up at once.

We would advise any person owing a seed lien, and having grain to sell, to send a statement to the Council.

H. McCarron shipped three cars of fat stock to St. Paul today.

The annual meeting of the Monitor Curling Club will be held on Wednesday, October 1st at 8 p. m.

The names of the local prize winners, at the School Fair, will be published next week.

The next meeting of the Monitor Branch C. W. V. A. will be called at the discretion of the Executive Committee, probably after harvest and threshing activities have ceased.

This meeting will be our first social gathering, and as a good programme is expected, every member is earnestly requested to be present.

Let us all work together to make the coming winter activities as interesting and beneficial as possible. Watch this space and boost in the meantime.

## ALERT ALTARIO

The young Altarians are taking wings and departing to their own towns. Reggie Staley has gone back to Major after a short holiday at home, and his sister, Evelyn, has returned to Horizon to post-office and business life. Gladys and Margaret Conquest have gone back to school and George, after a week end at home, has returned to the Wartime Camp. Muriel Mundy is going to Saskatoon business college, and thus the town is emptied of its boys and girls of teen age. We wish them all the best of good luck in their respective spheres and hope they will all do credit to this little grey town in the West.

Slim Wellar was in town hunting for men to take back to the grade, but found it an impossible task. The only extra man able to go was Cliff Wintling. We had the pleasure of joy riding as far as Compeer with this merry party and experienced an exciting time with Slim dodging the telephone poles that are sticking out in the middle of the road, hitting the high spots in style at thirty miles per, to the music of the music of the latest songs. We bid the "adieu" but they smiled awhile and said "Till we meet again." The presence of a lady and a baby makes all the difference to the enjoyment of camp life.

A local sporting lady hopes the men folks will get busy and plan a skating and curling rink. We cordially second the motion and would like to hear of a real live Sports Club being formed to look after the interests of the children and grown ups, and so make life less monotonous in the long lonesome winter nights. We have excellent facilities for tobogganing and sleighing parties, ski jumping and snow-shoe races would cause lots of fun.

We were in a little town lately where they ran friendly little supper dances at each others homes and the spirit of good cheer was so cordial that one left feeling that prairie life is after all very much what you make it. Who is there alert enough in Altario to make life worth living this winter?

Lizzie McLeod paid a flying visit home, last week, and is looking well.

George McLeod is teaching at Wilhelmina until a teacher can be secured.

Recent rains have filled the mud holes in the trails and are responsible for much strong language. We are asked to suggest to the Auto Club that they do something to fix the bad spots near town.

The Nurse required in Altario must be young and pretty as there are certain bachelors anxious to book up beds for a rest after the fall work is done. They want to rest their weary eyes by looking at some one who comes under the "peach" class of females.

**Every Farmer  
In This District  
Should Read The  
Nor'-West Farmer**

**Western Canada's Oldest Farm Paper**

If you are already a subscriber you will want to renew your subscription for another year, and if you are not a subscriber to it you ought to be. No farmer in these days of high prices and labor shortage can afford to do anything but his very best. Through a good farm paper you will get ideas worth many times the small subscription price. Each issue of The Nor-West Farmer is full of valuable information that any up-to-date farmer can use to his own direct advantage. It is edited for the whole farm family. If any reader wants information on any subject relating to either their farm problems or anything else The Nor-West Farmer information bureau will get that information for them. Their official veterinarian and legal adviser is at the service of every subscriber, free of all charge. If you have a weed problem, a soil drilling problem, a feed problem, tractor, automobile, or gas engine trouble of any kind, read The Nor-West Farmer, and you will soon get a wealth of ideas from the experience of other farmers who have experienced and solved similar difficulties. The Nor-West Farmer is a "round-table," around which the best farmers of Western Canada meet. Will you be one of them?

cultivator has been devised.

This implement, which has a  
place especially on the dry land  
farm, is designed to cut off the  
weeds about three inches below  
the surface of the ground with-  
out breaking up the surface  
soil. Pamphlet No. 28 of the  
Dominion Experimental Farms  
and obtainable from the Pub-

implement. The implement is  
eight feet wide and requires  
four horses for its operation.  
It may be constructed up to  
twelve or even sixteen feet  
when from six to eight horses  
are needed to draw it.
